

PRIME VALUE FUNDS - SWITCH FORM

Use this form to switch between funds.

A switch between funds is processed as a withdrawal from the first fund and an application for units in the second fund. A buy-sell spread is applied. Any performance fees accrued on your investment in the fund being withdrawn (if relevant) will be deducted at this time.

Switch instruction deadlines are the same as for withdrawals as stated in the relevant PDS or information memorandum. For the funds listed in section 2 below, with the exception of the Prime Value Diversified

High Income Fund and Prime Value Diversified High Income Plus Fund, switches received before 3:00pm on a business day will be processed using the price at the close of business that day. Withdrawals, and therefore switches, from the Prime Value Diversified High Income Fund and Prime Value Diversified High Income Plus Fund are only processed monthly and half yearly respectively. You can return this signed request to us by mail, fax or email.
